CLARESHOLM LOCAL NEWS

The Review-Advertiser wishes you a very Merry Christmas.

Born, to Mr. and Mrs. Leonce Clark, on December 13th, a son.

Mrs. Ray Laidlaw returned last week from a visit to her old home in the States.

The Methodists will hold their Christmas entertainment in the church on Monday night, the 22nd, at 8 o'clock.

The School of Agriculture closes this week for the Christmas holidays. A big dance was held on Friday night.

Mr. and Mrs. C. W. Stewart are leaving on Saturday to spend the Christmas holidays with their son Dr. Frank Stewart, at Medicine Hat.

The annual meeting of the Clareholm Local of the U. F. W. A. will be held in the U. F. Hall on Saturday, December 27, at 2:30 o'clock.

The Christmas entertainment at the Presbyterian and Methodist churches will be held on Monday next. There will be a good program provided and Santa Claus is scheduled to arrive about 7 p.m.

John Nelson has sold his entire herd of cattle, about 1850 head, to Knight & Watson, at a remunerative price. The deal was made through by N. H. Situm about six weeks ago. Mr. Nelson is one of the old time settlers in southern Alberta. He came to this district about eighteen years ago.

Mrs. Stanley Wyatt received word on Wednesday that her father, Chas. Lowrie, had died very suddenly at Tacoma. Mr. Lowrie was formerly a resident of this district but moved to a lower altitude on account of his health a few years ago. Mrs. Wyatt left for the coast on Wednesday evening.

The services in the Methodist church next Sunday, both morning and evening, will have reference to God's great love in the gift of Christ. At the morning service a number of boys and girls will render some Christmas carols, in the singing of which they have been trained by Mr. Moffatt. There will be special music by the choir at the evening service.

Jules Verne's masterpiece of fiction has been dramatized for motion pictures, and will be presented at that form at the Rex Theater next Monday and Tuesday. This wonderful story of love, hatred and mystery has been used as a basis of the greatest photoplay produced. The dreams of fifty years ago written by Jules Verne have been visualized by the camera and Captain Nemo in his submarine Nautilus accomplishes in this picture many of the things spoken about in that fascinating novel. It is a picture for the young and old, the intellectual and the seeker of thrills. The Universal Film Company spent over two years in the making of this photoplay and employed 2000 actors to depict the episodes in the 900 scenes. The engagement is for two days only, and is possibly the same production that played the Grand Theater, Empire Edmonton, Regina, Saskatoon, and Walker Theater Winnipeg, at prices ranging from 50c to \$1.50.

Lutheran Services

Divine worship, Sunday, December 21st 11 a. m. at Clareholm; 3 p. m. at Clear Lake school.

Rest With Nature

The closer you follow the rules of Nature the more you will accomplish, and the longer you will live. Even Nature takes her rest

during the winter months—why not you? Spend this winter at the Pacific coast, where you can enjoy summer pastimes, ride, motor, golf, in the big outdoors.

The Canadian Pacific Railway operate three through trains daily to Vancouver including the fast all-sleeping car train "Trans-Canada Limited." See the magnificent mountains in their winter garb; the open seas and green fields—all this and more await you at the Pacific coast.

SEEK EXPERIENCES OF SETTLERS IN CANADA

Department of Immigration Offers Prizes for the Best Accounts of Successful Ones

In order that the department of immigration and colonization may have at its command authentic accounts of the experiences of successful settlers in various parts of Canada it has decided to offer cash prizes for letters or articles not exceeding two thousand words written by settlers in each of the nine Canadian provinces. The articles will be judged by a committee to be appointed by Hon. J. A. Calder, minister of immigration and colonization, and should be mailed not later than February 14th, 1920, to the director of publicity for the department. Three cash prizes will be given, one of seventy-five dollars, one of fifty dollars, and one of twenty-five dollars, in each of the nine provinces.

It is explained that the competition is not a literary contest, the official announcement stating that:—"Literary style, correct spelling, etc., will not be considered essential. Tell your own story in your own words." It is believed that the procuring of a number of graphic and truthful stories of how success has been won from the soil in all parts of the Dominion will contribute to a future movement to Canada of the right class of settlers.

Full details of the competition are given on a poster hanging up in every post office throughout Canada.

DOMINION LYCEUM ENTERTAINMENTS

The following entertainments have been arranged for presentation in Clareholm during the winter season:

Ida M. Tarbell, the world's most famous woman publicist, who will speak of her impressions of world leaders at the Peace Conference from personal observation. Date to be announced later.

The Old Fashioned Girls, in stories and songs of bygone days. Date to be announced later.

A small group of Clareholm men have agreed to guarantee the payments under the contracts, and admission to the series will be by season tickets available at the following prices: Adults \$2.00 for the series, students \$1.00 for the series, children 75c for the series.

The committee responsible for these entertainments, from each of whom tickets may be obtained, are R. E. Moffatt, Jas. McKinney, R. S. Law, H. E. Fairbairn, S. L. Fraser, J. O. Deikmeir, O. McConkey, W. D. Annable, G. H. Carney.

Seas only by giving a guarantee that entertainments of this high class can be secured. If the attendance is good it will be encouragement to the public spirited men who have formed the committee to bring the Lyceum entertainments here another season.

A Family Gift

The best gift for one's family, one well thought of during a whole year, is a year's subscription to the Family Herald and Weekly Star of Montreal. It costs only \$1.25 if remitted for in December, and with it you get the very best portrait of the Prince of Wales ever taken. The portrait is 16 x 22 inches, and said the Family Herald is overwhelmed with orders and no wonder, for it is the best value to be had. It is a great family and farm paper.

Only Two-Thirds Of Grain Shipped

Seventy million bushels have so far Passed Over C.P.R.

It is estimated that not more than two-thirds of the season's grain has been shipped out from the West. At December 1, 70,000,000 bushels had passed over the Canadian Pacific railway lines, and it is expected that between 30,000,000 and 35,000,000 bushels will yet be shipped out.

The early cold spell is responsible in part for the slow movement, all available cars on railway lines had to be used for transportation of coal.

Your Christmas Guests

—And What Their Presence Means in Your Home.

WHAT a glorious Christmas it would be if you could have Anna Case and Marie Rappold, Thomas Chalmers and Arthur Middleton as your Yuletide guests—to spend the holiday season right in your own home—and sing for you, whenever you wish!

Thanks to the genius of Thomas A. Edison, you can have the enjoyment of their voices, not only for Christmas but for all the days to come.

The NEW EDISON

"The Phonograph with a Soul"

reproduces the human voice with such fidelity and accuracy that no human ear can detect a shade of difference between the living artist and the New Edison Re-Creation of their voices.

Before hundreds of audiences have been conducted the famous "stone ten" in which the artist sings alone, then suddenly stops, leaving the New Edison to continue the song. Thirty different artists have made the test before more than a million people. And not one of this vast audience has been able to tell, except by watching the singer's lips, when the voice stopped and the New Edison began.

As a Christmas gift, what could equal this wonderful instrument? It means a richer, fuller life—a permanent gain to theory and opera house—an introduction to all the music of all the world.

Come to our store, and let us show you how Mr. Edison has succeeded in Re-Creating the human voice and music.

The Youth's Companion Home Calendar for 1920

The publishers of The Youth's Companion will, as always at this season, present to every subscriber whose subscription is paid for 1920 a calendar for the new year. The tablets are printed in red and dark blue, and be-

sides giving the days of the current month in bold legible type, give the calendar of the preceding and succeeding month in smaller type in the margin. It is a rich and practical piece of work.

The cheapest and safest farm insurance can be had with the Wawanesa Mutual. See Fraser & Peck.
